

INTERMEDIATE WORK ZONE TRAFFIC CONTROL

June 12 & 13, 2008 — Orlando

Learn everything you need to know about Work Zone Traffic Control—PLUS
earn 1.6 CEUs!

Who Should Attend:

Public works, field personnel, and traffic controllers

Course Description—Why You Should Attend:

Learn about:

- Flagging Operations
- DOT Design Standards
- Traffic Control Devices
- Traffic Control Plan
- Index 600 Series
- FARS Study and Recommendations

Participants will work in small groups to complete exercises on temporary traffic control design. There will be a final exam, and all passing participants will be provided a certificate and a wallet card that shows that they have completed an FDOT-approved intermediate-level course. All participants requesting CEUs for Water and Wastewater Operators will receive them.
